The Overall Score for the PTE Academic is based on the test taker's performance on all items in the test. The scores for Communicative Skills and Enabling Skills are based on the test taker's performance on only those items that pertain to these skills specifically. As many items contribute to more than one Communicative or Enabling Skill, the Overall Score cannot be computed directly from the Communicative Skill scores or from the Enabling Skill scores. The graph below indicates this test taker's Communicative Skills and Enabling Skills relative to his or her Overall Score.

When comparing the Overall Score and the scores for Communicative Skills and Enabling Skills, please be aware that there is some imprecision in all measurement, depending on a variety of factors. For more information on interpreting PTE Academic scores, please refer to *Interpreting the PTE Academic Score Report* which is available at www.pearsonpte.com/pteacademic/scores.

MINUTES OF THE PTA EXECUTIVE COMMITTEE MEETING

20.06.2017

A meeting of the PTA Executive Committee was held on 20.06.2017 at 11.00 AM at Bhaskara MIC Seminal Hall to discuss and about the Re-admission process for the Academic Year 2017-2018. All the PTA members including Faculty Members and the Officiating Principal, NCERC attended the meeting.

In honour of our beloved Founder Chairman, **Late Shri. P. K. Das**, a minute silence has observed.

The following points discussed during the meeting:-

1. The Officiating Principal expressed a warm welcome to all the members gathered in the MIC seminar hall and described about the procedure for re-admission. The Officiating Principal read out the instructions for the re-admission. One of the PTA member enquired that whether information regarding the re-admission is to be conveyed to all parents and students so that the re-admission process and fees remittance is done by due dates. They were informed that the circular had been read in the classes and placed on the notice board. However, once again the same message will be sent to all parents if required. The Officiating Principal informed to the PTA members that from this Academic Year (2017-2018), re-admission to hostel is also required to be done afresh and the same is required to be renewed every year.

2. The following points were discussed by PTA President. All the decisions taken by PTA during the meeting should be acceptable to every parent and are bound to follow. The following decision taken by the meeting to be conveyed during the re-admission process and they must accept the same for a bright future of the College :-

(a) Conduct of Examination and publication of Results in time. The PTA President informed that the incident took place for the third semester which was not supposed to happen, should not be recurred. The PTA members were on the misunderstanding that no answer sheets were handed over to the University for valuation and due to this, heavy pressure was on the parents. What actually happened is not known to anyone of the PTA members. Jissan clarified that, only two bundles of the answer books were left in the cell by mistake which was not supposed to happen. The same was informed to University and given assurance that the result will be announced within the

Engineering and Research Centre

announced during the last week only. He also informed that student can register for revaluation by 21 Jun 2017. The date for applying for S2 supplementary has not yet come. Since the result of S3 published late, a request for extension of date for conduct of supplementary examination has been sent to University and the same is awaited.

(b) **Summer Course**. A point has come for discussion that maximum students/parents did not know about the starting of the summer course. It was clarified that the same have been announced in the classes before starting the examination and inspite concerned class advisors have been informed to the students and parents through telephonically. The reaction to this from the students and parents are not fair. Very less students turned and attending the summer course. Even, some time only faculty member is available in the class for taking the class but no students are available. The PTA and the College is ready to extend all help, but cooperation from students and parents in this regard is very less.

(c) **Fee Arrear Clearance**. There was a doubt regarding clearance of fee arrear which mentioned in the re-admission schedule letter. It was made clear that fee arrear means the fees due for the next academic year (2017-2018) is required to be paid before re-admitting the student for the academic year.

(d) **Discipline of the students in the campus**. The discipline and conduct of the students in the campus already discussed. Each day of re-admission, one of the PTA member is required to attend and will be available during the entire process of re-admission. The following points are required to be conveyed to the students in front of the parents:-

1. The students must follow the proper dress code inside the college as prescribed by the College. Without proper dress code no student will be permitted to attend the classes. Identity card issued by the College should display properly while attending the classes and inside the campus. No student will keep the same in the pocket or in the bags. On Wednesdays, colour dress (casual wear) is allowed and no students will permit to attend the classes with Kerala dhethi etc. Boys to wear pant and shirt and the girls to wear churidar with shoal. No other type dress will be allowed. This decision to be informed to all parents. Any deviation in this regard will be discussed in the PTA meeting and final decision will be taken.

2. **Counselling for students**. The students are divided to 15-20 in [illegible] one Faculty Member for better caring. They will keep all the details of [illegible] better relationship with the parents and students. If additional counselling [illegible] provided separately by the professional expert.

3. **Usage of Mobile Phone**. As decision taken in the PTA meeting students are permitted to bring mobile phone subject to condition that no student will use the phone without any valid reason inside and outside the class. They have to switch off and keep the same with them. If any student found using mobile in the class during class hours, the matter will bring to the notice of PTA and the decision taken by the PTA will be the final.

4. **Bringing of Vehicle**. The member of the PTA who is sitting during the Re-admission will explain the procedure to which the vehicle pass will be issued. The rules for the same will be informed to all parents. All the vehicles should be parked at the place identified and no vehicle will ply beyond that point. Parking places for boys and girls will be earmarked separately. Parents of the students have to give the details as per the format available with the PTA representative those who wish to send the students with the vehicles and at present speed limit inside the campus is 20 KMPH.

5. **Hostel Re-Admission**. It has been informed that the hostel re-admission to hostel is required to be done every year.

6. **Attendance of Parents during PTA Meetings**. It has also come for discussion that maximum parents did not attended the parents meeting conducted during the last semester. It is requested that all the parents of the students must attend the meeting during Class PTA meetings to make aware of the academic details of their wards at least once in a semester.

(e) Endorsing the conduct of a student (in CC) is required to be rested with Principal and no interference of Management. No student should be given conduct as SATISFACTORY. Based on the recommendations of Head of the Department, the Principal should endorse the conduct of the student.

(f) A point came from the member that why the internship programme is not organised through placement cell/College. It has been clarified that as per KTU directions internship through college is only possible for that students who have no arrears till the internship is done.

(g) It has been decided in the PTA meeting that a sum of RS 500/- (Rupees [illegible] only) to be collected from each B.Tech. student of NCERC as PTA Fund. The [illegible] collected while depositing the fees for the Academic Year 2017-2018 [illegible] separate head. The account should be operated by President PTA, Secretary [illegible]
