Sub - APJAKTU- Academic Calendar April 2021 to October 2021 Even semesters-Reg

Ref: _____

As per the order (KTU/DIRECTOR(ACADEMIC)/1063/2019) issued on 5th April 2021, fourth semester classes of all UG programmes were scheduled to commence from May 3, 2021 onwards and that of second semester classes (UG/PG programmes) during first and second week of May 2021. Unfortunately the second wave of COVID has affected the state severely during second week of April and the University was forced to suspend all end semester examinations. The Syndicate Standing Committee on Academics and Research in its meeting held on 21st April 2021 resolved to

- commence classes for all the above programmes including MBA(T&B) in online mode w.e.f. 26th April 2021 and to issue a tentative schedule
- review the situations later and to formulate revised academic schedule and pending examinations
- give a break of 10 days during the running semester prior to the conduct of pending examinations.

Accordingly a tentative schedule was circulated by the academic section directing all colleges to commence classes in online mode w.e.f. 25th April 2021. The Syndicate Standing Committee on Examinations in its meeting held on 23rd June 2021 resolved to commence odd semester pending examinations in the conventional mode starting from 4th July 2021. As per the time table published by CoE, the end semester examinations extend till Aug 3, 2021. The academic calendar is prepared by incorporating all these factors and all institutions are requested to adhere to the schedule.
