STUDENT CATEGORIZATION

EEE DEPARTMENT

The students joining the department come from diverse background and the learning pace of students are not alike. Some students require more attention and time for learning and some students grasp quickly and can envisage more knowledge in the same time frame. To judiciously reframe the teaching process, students are categorized as **slow learners**, **advanced learners** and **outstanding learners**. Norms followed at present are as follows:

Norms followed for categorization- All semesters except S1

Based on End Semester University examination results

Slow learners	:CGPA<7
Advanced learners	:7≤CGPA<8
Outstanding learners	:8≤CGPA≤10

For S1, categorization is based on first internal examination

HoDEEE

NEHRU COLLEGE OF ENGINEERING AND RESEARCH CENTRE

(Approved by AICTE, Affiliated to KTU, Kerala)

GRADING OF STUDENTS

STEPS FOR SLOW LEANERS

1. Regular monitoring and counseling
2. Remedial Classes
3. Communicating students progress to their parents

STEPS FOR ADVANCED LEANERS

1. Promote independent learning through NPTEL/MOOCs
2. Encouraging the students to publish papers and participate in student level conferences and Hackathones
3. Encouraging students to enroll for Minor in Engineering program
4. Selected as class representatives and Program Co-ordinators

STEPS FOR OUTSTANDING LEANERS

1. Promote independent learning through NPTEL/MOOCs
2. Encouraging the students to publish papers and participate in student level conferences and Hackathones
3. Encouraging students to enroll for Minor in Engineering program
4. Assigning student tutorship program
5. Selected as class representatives and Program Co-ordinators

DEPARTMENT OF MECHANICAL ENGINEERING

DEPARTMENT STUDENT CATEGORISATION POLICY

Based on SGPA obtained in the latest university exam results the students are categorized in to three categories as follows

1. **Outstanding students (SGPA 8 and above)**
2. **Fast learners (SGPA 6-8)**
3. **Slow learners (SGPA below 6)**

Outstanding students and fast learners were motivated by persuading them to attend GATE Coaching and other value-added programs provided by the institution.

Slow learners were given extra attention by conducting remedial classes and other such boosting sessions.

Students Categorization Process

Department: MBA

Process

Categorization of students of the management department is based on their performance in Maths based papers. MBA students mainly find it difficult to solve problems and pass problem papers. Hence we have done the categorization based on their performance in problem papers. As per the subject in the University curriculum in the first semester we have identified two papers has problem based papers. They are: Quantitative techniques and Accounting for managers. Based on their performance in the first internal in the above mentioned subjects we have done the categorization. The categorization criteria is shown below:

Categorization	Criteria
Advance learners	80 % and above
Moderate learners	71% to 79 %
Slow learners	70% and below

NEHRU COLLEGE OF ENGINEERING AND RESEARCH CENTRE

DEPARTMENT OF MCA

Categorization of Students

In every educational programme we can see some students can perform really well in all aspects, they can easily grasp the ideas in a simple manner. On the other side there will be some students who may face difficulties in the learning process due to some personal or other valid reasons. In these situations the students need special care and attention to improve their learning activity

3 Categories of student learning ability

- Advanced/Outstanding Learners
- Fast Learners
- Slow Learners

Advanced/Outstanding Learners

The students in this category have more potential with their memory, critical thinking, creativity, comprehension etc. The students will have hard working behaviors and will be more active while comparing the majority of the class. The students under this section will bring some new innovative concepts and techniques that can enhance teaching learning activities.

Fast Learners

The students in this section have better memory capability, thinking ability etc. The students will be hard working. The students under this section will have more than 80% scores in their respective domain.

Slow Learners

The slow learners are always the poor in achieving good marks. They may fail in exams or will score only poor grades. They will be struggling to understand the lessons and may have difficulties in their reproduction and integration. They may fail critical reflections. The poor performance is not only because of the poor capability or aptitude but may be due to poor family situations, inappropriate teaching methods, , lack of motivations and supports, or even the inability to communicate in an unfamiliar language.

Methods of assessment

- Merit in qualifying examinations
- Performance in entrance examinations
- Performance in training sessions and bridge program's
- They can be monitored continuously with the help of various internal exams, assignments

Ch
PRINCIPAL
Nehru College of
Engineering and Research Centre
Thiruvananthapuram, Kerala

- University examination results
- Communication and interactive ability in the class
- Innovative ideas
- Research oriented activities
- Participation in co-curricular activities

No.	Name	High	Average	Low
1	Merit in qualifying examinations			
2	Performance in entrance examinations			
3	Performance in training sessions and bridge program's			
4	Continuous evaluation (Internal exams, assignments etc.)			
5	University examination results			
6	Communication and interactive ability			
7	Innovative ideas			
8	Research oriented activities			
9	Participation in co-curricular activities			

Guidelines for Advanced learners

- Advanced learners are provided with additional inputs for more desirable career planning and growth through offering special coaching for higher level competitive examinations
- Giving advice to participate in group discussions, technical quizzes to improve analytical and problem solving skills in them and thereby, to enhance their presentation and communication skills.
- Motivating them to participate in National International Conferences and also to publish papers
- Encouraging them to involve in research projects to inculcate research orientation and higher studies aspirations
- Startups offers are there for advanced learners. Seed money can be offered to advanced learners to make their innovative proposals implemented
- Exhilarating the advanced learners to make quality publications and creative contributions to the academic as well as to the society
- They will act as supporters to the average and the slow learners.

Ch
PRINCIPAL
 Nehru College of
 Engineering and Research Centre
 Pampady

Guidelines for Fast learners

- Giving advice to participate in training programs, technical sessions to improve analytical and problem solving skills in them and thereby, to enhance their presentation and communication skills.
- Motivating the Fast learners to make quality publications
- Motivating them to participate in National International Conferences
- They will act as a helper to the slow learners.
- Giving suggestions to clear any sort of doubts in academic aspects from the concerned domain expert
- Encouraging them to improve the quality oriented learning with the help of smart devices

Guidelines for Slow learners

- Slow learners should not be stamped as poor achievers in the class or department if so this will decrease their interest in learning and also make them more introvert in the class.
- The whole department and individual teachers should help the slow learners by giving proper guidance and support.
- Conduct extra and corrective classes for difficult subjects and topics to the slow learners based on the results of internal evaluation
- Special coaching to reduce the gap between fast and advanced learners
- Getting the support of the advanced learners and fast learners to the slow learners in making their learning process simple and interesting
- Academic and personal counseling are given to the slow learners by the tutor, mentor and the counseling cell
- Explanation and discussions in their comfortable language should be done and also motivate them to prepare notes to improve the writing and presentation skills
- Alumni support is also effectively used to encourage and guide the slow learners through the proper path.

Guidelines to enhance teaching who have low ten point scale average

- Explain to the learners that you are focusing on helping them to understand the concepts in simple manner
- Encourage learners to ask questions about the topics discussed
- Reduce the communication gap between students and faculties
- Make a regular time to discuss with learners on an individual or small group basis
- Advise learners that they will have an opportunity to ask questions other than their respective subjects especially regarding job opportunities and research
- Encourage the teachers to take part in FDP regarding modern technological trends in learning
- Be specific and provide real examples where ever possible
- Establish that the student understands what is being discussed
- Ask the student what they think they need to improve on
- Offer your advice about future steps for improvement
- Invite open conversations by asking learners about the overall session
- Explain the theoretical concept along with its practical implementation
- Use advanced teaching methodologies

Initiatives for fast learners

Sl. No.	Methods adapted to improve fast learners to improve further	Action taken
1	Appointment of active student advisors, mentors	One faculty member is appointed as a mentor for every 10-15 students and guides them throughout the four year course
2	Audio visual aids	NPTEL online videos and PPTs are given to fast learners to update the recent trends
3	Creating confidence level in their interested areas	Fast learners are motivated to interact more in the classroom activities and more often, they are given opportunities to talk on their interested fields.
4	Enhancing English and communication skills and presentation	<ul style="list-style-type: none">• An English language laboratory was setup for the students to listen to tapes and use workbooks to improve their English, particularly spoken English• To prepare e-mails, memos, presentations etc. In the work space.
5	Encouragements	Fast learners are motivated to take part in the technical events conducted in-campus and other institutions.

DEPARTMENT OF MECHANICAL ENGINEERING

Students Categorization policy

Hereby it is decided that the students can be categorized into two groups into slow learners and fast learners based on their academic performance for their improvement in their results and non-academic excellence. The students acquired 60 % and more marks in Internal test 1 are grouped into **Bright students** and less than 60 % marks is considered as **Weak students** for that particular subject.

Department of Mechanical Engineering

DEPARTMENT CIRCULAR

Academic Year: 2021-22

Date: 22.11.2021

It is to inform you that those students securing more than 60 % marks in internal test 1 should compulsory attend the following activities in order to enhance your theoretical as well as practical perception in Engineering subjects.

- Special Lectures / Workshops / Seminars / Spoken tutorials
- Industrial Visits / Value added Courses / Mini Projects
- Soft skill Trainings/ Mock Interviews / Club activities
- Topics / Experiments beyond syllabus
- Symposiums / Conferences

CERTIFICATE OF APPRECIATION

This certificate is awarded to

Mr. Prashobh Prakash (CGPA – 9.86)

From **Nehru College of Engineering and Research Centre**

In recognition for his outstanding achievement securing First position in 7th Semester of the Bachelor of Technology course 2017 Batch at Department of Mechanical Engineering,
Nehru College of Engineering and Research

Dr. George Job K
Head of the department
Mechanical Engineering

Dr. Ambikadevi Amma. T
Principal, NCERC

NEHRU COLLEGE OF ENGINEERING & RESEARCH CENTRE
(NAAC Accredited, Approved by AICTE, Affiliated to KTU)
Pampady, Thiruvilwamala, Thrissur-680588

CERTIFICATE OF APPRECIATION

This certificate is awarded to

Mr. Prashobh Prakash (CGPA – 9.78)

From **Nehru College of Engineering and Research Centre**

In recognition for his outstanding achievement securing First position in 8th Semester of the Bachelor of Technology course 2017 Batch at Department of Mechanical Engineering,
Nehru College of Engineering and Research

Dr. George Job K
Head of the department
Mechanical Engineering

Dr. Ambikadevi Amma. T
Principal, NCERC
