In honour of our beloved Founder Chairman, Late Sri.P.K.Das, a minute silence was observed.

The faculty members and the students discussed the following issues concerning the welfare of the students.

1. The students raised the point that bus.nos.10, 27, and 37 are in a bad condition and traveling in it has become hazardous. Air Conditioner in bus no 42 is not working properly. Necessary steps are to be initiated to ensure the comfortable travel of the students.
2. The students have raised their concern about the closure of the 'Nescafe' and the 'Burger' shops in the campus and are of the opinion that they have to be reopened. The quality of all the food items provided in the canteen should be improved. More staff should be appointed at the counters in the canteen during the morning and evening breaks.
3. The students are happy with the parking space provided in the ground, but they would like to have proper sheds to be made for parking the vehicles.
4. Water supplied in the hostels is sometimes not of good quality. Steps should be taken to ensure the supply of good water. There is water shortage in the ladies hostels sometimes.
5. Students need snacks and tea to be provided at the Burger shop near the Aryabhata block.
6. Some of the coolers are not maintained properly. Time to time service of the water coolers have to be done.
7. Some of the equipment's in the EEE Machine lab are not working properly. Quality of the ID cards provided to the first year students should be improved. Students want all the Saturdays as holiday so that they get more time for studies.

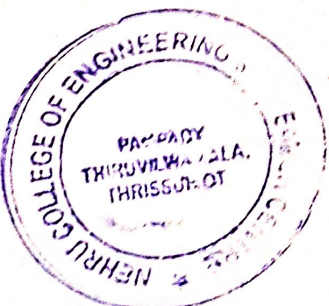

The chairman and the committee members assured the students that necessary actions will be initiated to solve their genuine issues raised and bring the matters to the notice of the concerned authorities at the earliest.

In honour of our beloved Founder Chairman, Late Sri.P.K.Das, a minute silence was observed.

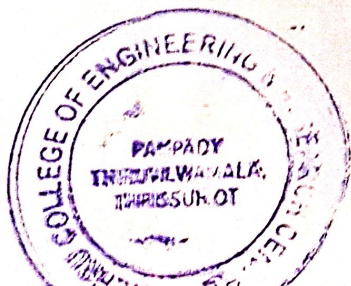

The faculty members and the students discussed the following issues concerning the welfare of the students.

1. The final year ME students said that the placement training imparted to the students was not very effective last time. More competent teams should be chosen for the placement training this time. They also suggested that there should be continuity in the training in order to ensure the development of the students' soft skills.
2. The S-3 Mechatronics students complained that the noise from the server room of the Electronics Lab on the ground floor of the Bhaskara block is really annoying and disturbing that they find it difficult to concentrate in the class.
3. Students complained of water shortage in the wash rooms in Aryabhata and a couple of coolers are not in working condition. The MCA students brought to notice that a few fans in their block are not working properly and there is not enough light in the classrooms, especially during the rainy season.
4. Students complained that many computers are yet to be repaired in all the labs. If we get them repaired at the earliest, they will have more number of systems in the Labs.
5. The students want the Burger shop and the Coffee shop to be opened shortly as they find it time consuming to come to the main canteen especially during 10 minutes intervals.

Action Report of the First Welfare Committee Meeting.

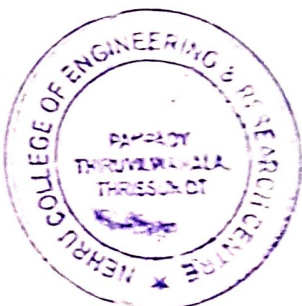

With reference to the first meeting of the Students' Welfare Committee was held on 5<sup>th</sup> October, 2018, under the chairmanship of Prof. Dr. Jojo George at the Microsoft Innovation Centre (MIC) hall at 11.00 a.m., the following actions were initiated to ensure the welfare of the students.

1. Based on the complaint that the college store is not kept open during the intervals regularly, the store keeper has been instructed to keep the store open during intervals without fail. Library hour will be given to the students based on the availability of free lectures.
2. The concerned faculties have been given instructions to avail exact information to the students about the recruitment procedures and criteria. The time difference between Aryabhata and Bhaskara was rectified and the National Anthem would be played at the same time in both the buildings hereafter.
3. Regarding the water shortage in the wash rooms in Aryabhata and the malfunctioning water coolers, instructions were given to solve these issues immediately. The fans in room nos. 211, 212, 401 were repaired and the top floor rooms 401 and 406 in Aryabhata were cleaned.
4. The complaint regarding the bus nos. 10 and 27 was reported to the bus owners and they promised to take immediate action to solve the issue.
5. Regarding the students' request to reopen the Burger shop and the Coffee shop, the matter has been forwarded to the management for immediate consideration.

In honour of our beloved Founder Chairman, Late Sri.P.K.Das, a minute silence was observed.

The faculty members and the students discussed the following issues concerning the welfare of the students.

1. The CSE (S-7) students requested that their recreation has to be maintained as it is. Often these hours are converted in to lectures especially before exams. First year CSE students said that they want a library hour in a week. The students complained that the college store is not kept open during the intervals regularly.
2. Regarding placement the students said that they would like to get the exact information about the recruitment procedures and criteria. The time difference between Aryabhata and Bhaskara has to be rectified and the National Anthem to be played at the same time in both the buildings. The students wanted to have the semester exams in alternative days.
3. Students complained of water shortage in the wash rooms in Aryabhata and a couple of coolers are not in working condition. AUE (S-7) brought to notice that a few fans in room nos. 211, 212, 401 are not working properly. Cleaning of the top floor rooms 401 and 406 in Aryabhata is not being done properly. First year EEE students complained of getting a foul smell in their class room from the sewage water tank adjacent to their classroom.
4. A few of the buses like bus.nos.10 and 27 are not in good condition and the students complained of discomfort travelling in those buses.
5. The first year students complained that the colour of the identity card tag mismatched with their uniform and it would be better if the tag colour is changed. The various associations in the departments are not functioning properly.
6. The students want the Burger shop and the Coffee shop to be opened shortly as they find it time consuming to come to the main canteen especially during 10 minutes intervals. There is a shortage of snacks in the main canteen sometimes.

In honour of our beloved Founder Chairman, Late Sri.P.K.Das, a minute silence was observed.

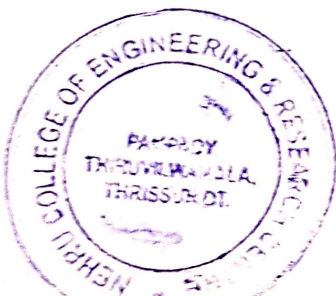

The faculty members and the students discussed the following issues concerning the welfare of the students.

1. As it was suggested in the last meeting necessary steps have been taken to ensure adequate power back up facilities in all the buildings to enable the smooth conduct of the academic activities.
2. The students were happy about the sports-day and arts-day, conducted in the college. It has helped to strengthen unity, a healthy spirit of competition, sportsmanship and co-operation among students.
3. It was observed that no positive action was taken towards the reopening of the 'Nescafe' and the 'Burger' shops in the campus. The students are of the opinion that they have to be reopened.
4. The MBA students complained that they are not allowed to take their vehicles up even before 9 o'clock, as the security stops them at the barricade. As per the rule they are free to take the vehicles up before 9 o'clock.

The chairman and the committee members assured the students that necessary action will be taken to solve their genuine issues and bring the matters to the notice of the concerned authorities at the earliest.

In honour of our beloved Founder Chairman, Late Sri.P.K.Das, a minute silence was observed.

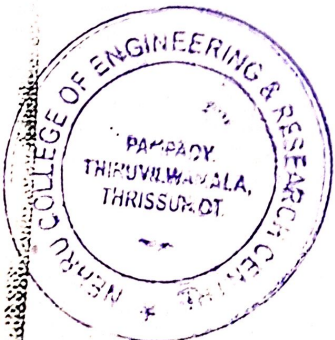

The faculty members and the students discussed the following issues pertaining to the welfare of the students.

1. Students from S-5 and S-3 felt that the quality of food served in the canteen must be improved and items served should justify the amount they charge. Arrangements should be made to provide the food at a more concessional rate than the present rate. The chairman and other faculty members said that this matter would be discussed with the authorities concerned and would settle it immediately.
2. Students felt that the chalk board must be replaced with white boards so that rate of pollution caused by the use of chalk in the class can be completely brought to zero. The front side of the class, especially the podium and the pulpit, is always untidy as the chalk powder is spread all over. The chairman said that he would bring this matter in to the notice of the management and suggest to do the needful.

~~In honour of our beloved Founder Chairman, Late Sri.P.K.Das, a minute silence was observed.~~

The faculty members and the students discussed the following issues concerning the welfare of the students.

1. As the college timing has been extended to 4.15 pm, it has become quite difficult for many of the students to catch the train at 4.20 pm from the Lakkidi railway station, failing which the next train is only at 6.00 pm. So the students requested either to reschedule the timing to 4.00 pm or to allow those students to leave the class five minutes early. The faculty members said that they would take up the matter with the principal and do the needful.
2. Students from S-3 and S-5 said that it was quite tiring for them to attend three lectures continuously after the lunch break, as there was no interval in between. So they requested to keep the interval after two lectures at 2.25 pm instead of the present interval at 3.15 pm. They were assured that the issue would be put up before the principal and changes would be made accordingly.
3. If a holiday falls on the day allotted to take books from the library, those students must be permitted to borrow books on the following day instead of waiting for their next turn after a few days. The faculty members assured the students do the needful to avoid any inconvenience to avail books from the library.

In honour of our beloved Founder Chairman, Late Sri.P.K.Das, a minute silence was observed.

The faculty members and the students discussed the following issues pertaining to the welfare of the students.

1. Students from S-3 complained that they were not given the refund for a mechanical engineering book which was given to them by mistake and money was collected due to some confusion in the syllabus in the first semester. The chairman and other faculty members said that this matter would be discussed with the authorities concerned and settled immediately.
2. Regarding transportation it was observed by a student that if a bus trip is cancelled due to some unforeseen reasons, the message should be passed on to the students immediately so that they can catch other buses running on the same or nearby routes. It has also been suggested by one of the faculties that the students can take the contact numbers of the concerned bus driver and the faculty in charge.
