ARTS REPORT

ACADEMIC YEAR 2017-18

Co-curricular activities hold a great place in the field of education. The Co-curricular activities will help the students to reduce the stage fear. These activities increase social interaction, leadership quality, give a chance of recreation, improves the discipline and also will improve the confidence level. We are conducting a lot of student oriented activities to improve the skills of students in handling various situations. Every year we organize an cultural event which includes a lot of student related events which will enhance the quality level of student in our campus. The program is tailored with the events like group dance, group song, break a natyam, duet song, pencil drawing, painting, extempore, versification, picture elaboration etc. These list of on stage and off stage activities always expose the creativity of students in our campus. Since we are moulding the future engineers of our nation the importance of creativity holds a major position. This year also we have conducted this event in a stylish manner. The participation from the student side increases every year the main reason behind it is they feel this kind of event will pave them a proper path in building a successful career. We usually plan both individual and group oriented events. The individual skills and team building mentality is very much needed the current world. Prize is distributed to the first, second and third positions in various events.
