# KALASHAKOTTU 2K19-ARTS FEST AND COLLEGE DAY

DATE:04/05/2019

## REPORT

College campuses are nothing if not eventful — students have tons of activities and extracurricular to choose from every day. College is the place we can find ourselves, the place where students discover what it's like to be out on our own, what we truly like and dislike, where we belong. Apart from the fun, frolic and platform that it offers to students to exhibit their talents, the fest is also an acid test of some students' managerial skills, as well as the flexibility in decision-making of the teachers. The college Arts festival is conducted each year with unique names. In order to ensure the maximum participation from every student and to inculcate in them a spirit of competition, all the students are grouped into four houses. Each group is headed by respective teachers. The competitions are conducted house wise. This year's Arts fest and college day was conducted on 04/05/2019. Our students presented a grand event with music, dance, songs and many more.

The event was officially inaugurated by our beloved Prof. Ramachandran Sir, HoD department of Mathematics in the presence of various dignitaries on 04/05/2019 09:30 AM at Brahmagupta auditorium, NCERC.

Various cultural events started right away after the humble yet elegant inaugural function.

Events of arts day:

- Solo dance (M & F)
- Solo song (M & F)
- Break-A-Natyam

  
PRINCIPAL  
Nehru College of  
Engineering and Research Centre

- Duet Songs
- Group dance (M &F)

The excitements came to a pause at 02:30 PM with the end of competitive events. However, the main attractions of the day were yet to unfold during the college day celebrations held during 02:30 PM-04:30 PM. Each department had their individual "Host Performances" where they could showcase a collage of their talents.

The Host performances made way for the prize distribution ceremony held at 04:45 PM.

The final event of the day, "Instrumental fusion" started at 06:00 PM and the fest came to an end at 07:30 PM.
